

LANDI

# C20 Pro C20 Pro SE

Desktop POS Terminal

**Elevate user experience to  
new heights with futuristic terminal.**

- Enhance user perception with interactive design.
- Tackle peak hours with seamless and speedy printing.
- Empowered by LANDI Connect platform to unlock the full potential of digital commerce.

## SPECIFICATIONS

|                                      |                                                                                                                                                                                                    |                                               |                                                                                                                                                                                                                     |
